

Eco Lawn Care and Mowing Service

www.ecolawnmow.com

For \$30, We will efficiently:
Mow carefully around your yard.
Sweep your clippings off sidewalks.
Edge around your landscaping.

You will not have to:
Store or pour gasoline in your home.
Wrap 100 foot electric cords properly.
Get in to dirty work clothes.

We can:
Create a compost pile for your house.
Create above ground gardens.

We will not:
Package yard waste in plastic bags.
Use inefficient, dirty engines.

We always:
Buy organic local food.
Recycle all our waste.
Utilize recycled papers and minimal print.
